Summary of Covers - Medical Insurance for Foreign Workers

The health insurance policy is intended for foreign workers and provides medical insurance in Israel in accordance with the requirements of every employer of foreign workers, order, which requires among other things, a basket of health services for the foreign worker on a scale similar to the health basket currently provided to every citizen in Israel. Medical services are provided at the kopat holim clalit health clinics by a magnetic card provided to every insured, similar to Israeli citizens who are members of the kopat holim clalit

Who can join the insurance?

- Foreign residents arriving in Israel for work purposes and employed by an employer in Israel
- Foreign residents who come to Israel for work purposes without an employer but with a valid work permit
- Minimum joining age - 18 years, Maximum joining age - 65 years (inclusive)
